Medical

Name Last: ___________________________   First: _________________________  Middle: _______________     Date of Birth: ___________________

The above named applicant qualifies for a medical exemption to immunization for the following reason (select one):

☐ In the opinion of a physician, nurse practitioner, or physician assistant the required immunization(s) would be injurious to the health and well-being of the applicant or any member of the applicant’s family or household. In this circumstance, the exemption may apply to a specific vaccine(s) or all vaccines. If, in the opinion of the physician, nurse practitioner, or physician assistant issuing the medical exemption, the exemption should be terminated or reviewed at a future date, an expiration date shall be recorded on the Certificate of Immunization Exemption.

☐ Administration of the required vaccine would violate minimum interval spacing. In this circumstance, the exemption shall apply only to an applicant who has not received prior doses of exempted vaccine. An expiration date, not to exceed 60 days, and the name of the vaccine shall be recorded on the certificate.

Medical exemptions do not apply in times of emergency or epidemic as determined by the state board of health and declared by the director of public health.

A Certificate of Immunization Exemption for medical reasons is valid only when signed by a physician, nurse practitioner, or physician assistant.

The Certificate of Immunization Exemption for religious reasons is valid only when notarized. Religious exemptions do not apply in times of emergency or epidemic as determined by the state board of health and declared by the director of public health.
