

Need to complete the AAMC Standardized Immunization Form?

Student Health & Wellness can help you with that, but you can also do your part as the first step. It will make it easier, and may even keep you from having to come in- we can do it all by email!

1. Go to the electronic form <https://www.aamc.org/download/440110/data/immunizationform.pdf> and fill out your name, other identifying information.
2. Look at MyUI to see your completed health science requirements. (Log in to MyUI, go to “Student Information”, then “Student Life Management”, then “Health Requirement Status”). All of your vaccine records, TB skin tests, etc. are on that page. Fill in the date fields and results.
3. SAVE your form by clicking the green box on the bottom of the last page of the form.
4. You can go to MyChart (the patient portal to your medical record) to get copies of your titers, IGRAs, chest x-ray reports, TB symptom assessments. If you need MyChart access, go to <https://mychart.uihealthcare.org/mychart/> to sign up.
5. Print copies of lab reports from MyChart and save them to your computer.
6. Email your saved AAMC form AND the titer/other results from MyChart, to this Student Health Inbox: student-health@uiowa.edu In your email, include your full name, date of birth, and student ID number. Please let us know if you have a specific deadline to get it back to you and we will do our best.
7. We will access your form, add any missing information, review it, sign and email back to you.
